6:30 pm – Reception, **7:00pm** – Tasting

The 2007 Vintage has been described as the best Niagara vintage yet. We've all heard we should be buying these wines as soon as we see them on the market – but why??

Why was this vintage so special? What do we look for in these wines? How long can we cellar these wines?

Join us at Henry of Pelham Family Estate Winery to sample wines from this vintage that have not yet been released. We will be sampling an 07 Chardonnay which has been aging in barrel, and a number of 07 reds from various wineries which may still be not be released for several months.

Christopher Waters will lead us through the tasting and help us understand the answers to the questions posed above and many others. Chris is co-founder and editor of Vines, a national wine and food publication. He is the wine appreciation coordinator at the Cool Climate Oenology and Viticulture Institute (CCOVI) at Brock University. His weekly wine column, Waters and Wine, runs in the St. Catharines Standard, Niagara Falls Review, North Bay Nugget and Timmins Daily Press. His articles also appear frequently in Niagara Magazine, Hamilton Magazine, Kingston Life and Simcoe Life. (Read more at www.watersandwine.com).

As usual, stay afterwards for mingling and delicious nibbles. We look forward to seeing you there!
