In addition to the Pinot Noir there will be blind tasting of several other wines. Your host for this tasting will be Bob Dennison and Gary Killops.

Please bring your own glassware. Recommend 6 glasses. Glasses will not be provided by the winery.

I have received several emails asking if it was ok to bring a guest or two to the tastings. Yes you can, first time guest may attend and pay the \$10 tasting fee. Due to limited seating at some locations please let me know if you are bringing a guest.
