**From the dawn of time, wine has created a passionate experience.** It was once said, “In water, one sees one’s own face, but in wine, one beholds the heart of another.” No other beverage has inspired so many poets, writers, and artists.

To enhance the experience of the passion and romance of wine, join us under the tent in the vineyards of Harbour Estate Winery. Fraser Mowat, owner and operator of Harbour Estates, will lead us through our tasting and explain the art and science of aromatic white wines of Niagara. Harbour Estates is a family owned and operated business. Fraser Mowat, a 4<sup>th</sup> generation agricultural grower, bought the property 30 years ago with his wife and parents to farm tender fruit. Their crop became exclusively grapes about 10 years ago and they opened the Harbour Estates Winery.

Experience four different outlets of the passion for Niagara wines in tasting of aromatic white wines from around the region, in drama, in photographic art, and in food pairing. Sit back and enjoy Ontario Wine Society’s version of dinner theatre featuring the dramatic comedy “Bubbly for Two” under the talented direction of Theatre Director, Michael Donaghue, while enjoying delicious foods prepared by the chef at August Restaurant. Browse the delightful talents of Stephen Elphick’s photographic art, while sipping on aromatic wines.

Those of us with the passion for wine can agree with the late Robert Mondavi’s statement, “Wine to me is passion. It's family and friends. It's warmth of heart and generosity of spirit. Wine is art. It's culture. It's the essence of civilization and the art of living.”

**Directions:** From Toronto take the QEW to exit 55, the Jordan Road exit. You'll know you're coming up on the exit when you see the tall ship docked in the marina on the north side of the highway. At Jordan Road turn right. Harbour Estates is one-quarter mile farther on the right hand side. **When you get to the winery, follow the gravel road to the very back of the property until you see the tent!**
