Are you looking for an escape to exotic places but have a budget to keep in mind? We have a great solution for you. On Saturday, January 17th, 2009, at the recently renovated Reif Estate Winery, we will offer the cuisines of four countries matched with local wines. The ethnic foods we are choosing are not typically matched with wine. Let's expand the culinary envelope and explore some interesting pairings.

Executive Chef Chris Smythe of Riverbend Inn fame and Sushi chef Danny from Shibuki restaurant in Niagara Falls will prepare our delectable international foods.

Peter Gill, one of our longtime members, will kick off the evening, setting the stage for food and wine pairing. Peter is also a member of the International Wine and Food Society and Past President of the Society for American Wines – Toronto Chapter. Klaus Reif will also drop in and speak to us.

For those of you who might enjoy a cruise ship experience, we will play a trivia game for prizes all evening. As always, we will greet you with reception wines and nibbles and since it's the start of the Niagara Icewine Festival that weekend, we will finish off the evening with sweets matched with Icewine. You will also have ample time to shop for souvenirs, maybe buying some of the international music CDs you will be hearing in the background during the event.

We hope to see you there, battling the winter blahs with us, traveling from country to country with no passports needed!
