Who We Are

The Ontario Wine Society is an independent, member operated and funded, non-profit group that organizes tasting and special events throughout the year with a focus on Ontario wines.

Ontario's wineries and the Ontario Wine Council enthusiastically support us.

All Ontario Wine Society events are planned and run by volunteer members.

Tastings and Dinners

During the year, each chapter of the Ontario Wine Society holds approximately 10 tastings, dinners and special events.

In Toronto, events are usually held at venues that are within easy access of public transportation.

Niagara events are usually held at a local winery.

In the Oakville area, the events are held in a centrally located restaurant.

The member cost for regular tasting events is in the range of \$30 to \$50.

At the events members:

- See how Ontario wines match with their favourite foods.
- Compare Ontario wines with wines from other regions of Canada and the world.
- Enjoy tastings led by experts from the wine and food industry in Ontario.
- Hear Ontario winemakers and winery representatives talk about their wines and get to meet them and ask questions.
- Socialize with other people with similar interests in Ontario wine.

When you join, you will receive one complementary voucher redeemable for 50% off of any regular tasting event!

For every two new members you refer, you will also receive a free tasting voucher redeemable for any regular tasting event!

Wine Country Events

Tours

From time to time the Ontario Wine Society arranges tours to the wine regions of Ontario. These are day or overnight trips that include visits and tours of three or more wineries, meals and lodging.

Icewine Weekend Extravaganza

The Society also organizes an annual icewine weekend. This event focuses on a particular winery. There is a tour of the winery and a tasting during the day on Saturday followed by a reception and dinner in the evening, often at the winery.

Members spend Saturday night in first-class accommodations where breakfast is served on Sunday morning. Members are free to tour wineries of their choice on Sunday.

Just off the Vine...

The Ontario Wine Society produces a newsletter that is sent out about once per month. It's called Just off the Vine. Included in the newsletter are notices of upcoming Society, winery and related events, reports on previous events, and other news of interest to members.
