

Get Your Hands Dirty at Coyote's Run
August 13 or September 10
9am – 5pm

This is your chance for a unique and in-depth look at the vineyards of Coyote's Run. Join our viticultural team and learn about winegrowing like you never have before – hands on in the vineyard! This full-day workshop is fun and informative – you will learn how proper management of soil, canopy, and crop all contribute to making top quality wine. Of course, no day would be complete without some special tastings from our barrel cellar! Leave with a commemorative, exclusive hat and certificate. Availability is extremely limited and reservations required. \$175 + tax per person.
