Days of Wine & Chocolate

Warm up your winter with a match made in flavour heaven! Experience two of your favourite indulgences – wine and chocolate – as you never have before. As you tour the 28 Wineries of Niagara-on-the-Lake, each stop will feature a delectable pairing of a premium VQA wine and a locally handcrafted chocolate. Your palate will be tantalized with classic flavour combinations and unexpected surprises.

This decadent event is perfect for a romantic weekend away, a girls-only getaway and everything in between.

For a complete list of the 28 pairings, please visit www.wineriesofniagaraonthelake.com.

Cooking Classes! Fridays in February!

Looking to spice things up in the kitchen? We are happy to help. We have teamed up with local chefs who have the same core values as we do (local, organic and great tasting!).

Looking to do some hands on learning - join us for a cooking class. We will walk you through the cooking and enjoy pairing our own organic wines with the meals we create together!

\$80 per person (includes your wine) email: events@southbrook.com to learn more.
